

Student Right-to-Know Disclosure

July 1, 2020

In accordance with the federal *Student Right-to-Know Act*, and to assist you in making an informed decision about your education, Abraham Lincoln University (ALU) has provided its graduation, transfer-out, retention and student body diversity rates as reported by the school in connection with the Integrated Postsecondary Education Data System (IPEDS) Survey. **This Student-Right-to-Know disclosure is updated annually and available as of July 1.**

Annual Graduation Rate: N/A

The graduation rate is calculated based on a fall cohort of full-time, first-time, degree/certificate-seeking students, who entered during the Fall 2016 term and who completed their program within 150% of the normal time as of August 31, 2019. The graduation rate is based on data reported by the school in connection with the *2019-29 IPEDS Winter Collection (Graduation Rate Survey)*. This rate does not include students who left school to serve in the armed forces (or have been called up to active duty), on an official church mission, or with a foreign aid service of the federal government, or for students who died or became permanently disabled.

As ALU was not required to complete the 2019-20 IPEDS Graduation Rate Survey, it does not have this information available.

Annual Retention Rates: Full-Time 0%* / Part-Time 0*

Annual retention rates are calculated based on the percentage of full-time, first-time, degree/certificate-seeking students, as of the Fall 2018 term. The retention rate is based on data reported by the school in connection with the *2019-20 IPEDS Spring Collection (Fall Enrollment Survey)*.

***In the Fall 2018 term, ALU had only 1 full-time, first-time student and 0 part-time, first-time students.**

Federal Pell Grant Recipient Rate: 28%

Percentage of Federal Pell Grant Recipients is based on all undergraduate students enrolled in Fall 2018. The Pell Recipients percentage is based on data reported by the school in connection with the *2019-20 IPEDS Winter Collection (Student Financial Aid Survey)*.

Student Body Diversity

Student body diversity rates are based on the number of students who were enrolled between July 1, 2018 and June 30, 2019. The student body diversity is based on data reported by the school in connection with the *2018-19 IPEDS Fall Collection (12-Month Enrollment Survey)*.

Student Category	Percentage
Male	46%
Female	54%
Hispanic/Latino	14%
Asian	8%
Black or African American	8%
White	30%
Race and Ethnicity Unknown	36%
American Indian or Alaska Native	1%
Native Hawaiian or Other Pacific Islander	0%
Two or More Races	2%
Nonresident Alien	1%
